

PROSPER FIRM
THINK. SOLVE. BUILD. PROSPER.

UNSECURED LINES OF CREDIT REAL-WORLD WORKING CAPITAL AND BUSINESS CREDIT

We Specialize in Unsecured Lending Solutions for Entrepreneurs,
Start-up's & Small Business Owners

Nationally Recognized Credit Card Program | Unsecured Business Lines of Credit (UBL's) | We DO NOT Require Any Up-Front Fees!

6 Benefits of our Unsecured Lines of Credit:

- Access additional capital
- Separate your personal and business credit
- Protect, preserve, and improve personal credit
- Obtain cash flow friendly financing
- Minimize interest expenses
- Maximize tax benefit

Our clients' average "blended rate" AFTER the 0% offers ended was between 5.00% & 8.96%

Some national stats:

- 28,000,000 SBO's
- Between 50-80% of businesses fail
- According to the SBA "lack of access to capital" is the #2 reason why businesses fail.
- "82% of Small Biz owners use credit cards as a 'vital part' of their overall funding strategy"

Who Qualifies?

- Real Estate Investors and Contractors
- Start Ups – Whether you've been in business for 10 minutes or 10 years we can help.
- Anyone in the \$0-200k revenue range would be a great candidate for our UBL program, with qualifying credit.
- Existing Businesses – We have a Line of Credit option for clients who have established businesses and revenues over \$500k as well.
- We're typically looking for a credit score over 680 (remember, these are unsecured – so NO collateral!)

EVERYONE HAS THE SAME QUESTIONS?

Can you help me? How much can I get? How long will it take? What will it cost?

You have to complete the Pre-Qual process so we can answer these! Then you will accurately know your unsecured lending options.

NEXT STEPS: If you would like to complete the pre-qual process, please let us know so we can get you started.
